Too exhausted to chase after the cheeky rodents, the baker's cat becomes thin and sad and weepy, until the mice take pity on him and together they concoct a clever plan ...

## **Lulu and the Chocolate Wedding** **Coming in 2016**

Lulu is going to be a bridesmaid, but the night before the wedding she eats too much chocolate and is very poorly. Lulu has a nap to feel better, but before long she is woken up by someone crying. Join Lulu on her very chocolatey escapades as she tries to rescue the wedding cake's sugar bride from some mice who have a very sweet tooth.

## **Lulu and the Flying Babies** **Coming in 2017**

Lulu had to go to the museum. She didn't want to see the dinosaur or those pictures - she wanted to play in the snow. So she sat on a bench and picked her nose. 'That's filthy! Use your hanky not your sleeve!' said a small voice behind her. Before Lulu knew it, she was swept off by two cherubs and taken on a wonderful flying tour of the museum, where she and her new friends splashed in the sea, growled at a tiger and even fed crisps to a king's horse!
