# Andersen Press Early Readers

## Ten Tall Stories

A hilarious collection of stories for children just starting to read, with artwork by the popular illustrator of Horrid Henry, David Walliams and Little Princess.

‘This will be a winner with those on the verge of becoming independent readers’

*Jill Bennett, Red Reading Hub*

‘A real treat for young readers, full of cheeky humour.’

*The Bookseller*

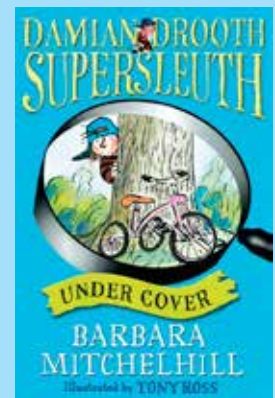

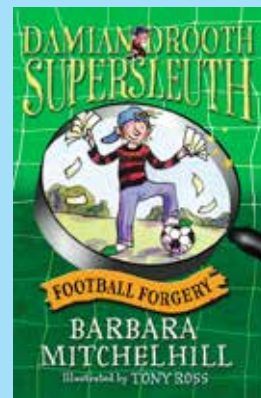

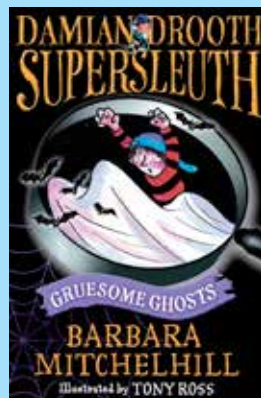

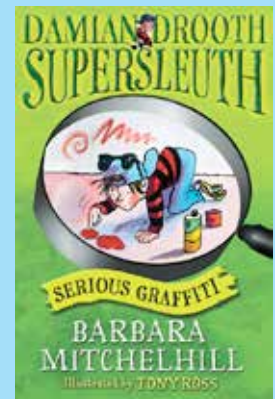

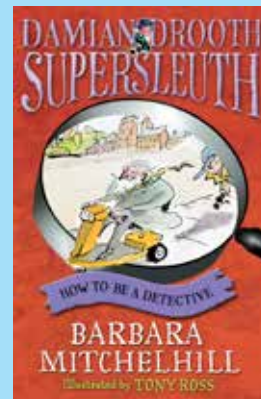

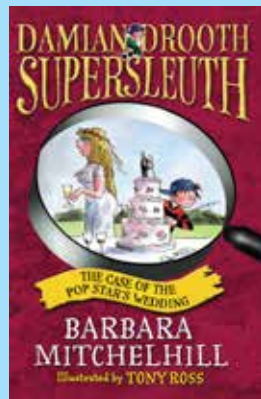

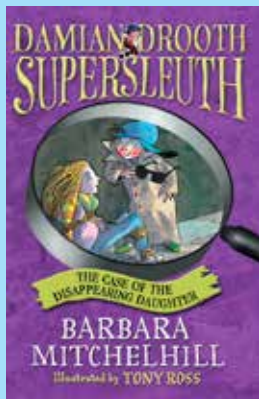

‘Perfectly judged to engage newly competent readers’

*The School Librarian*

# Andersen Press Early Readers

## Damian Drooth

Ten funny young readers about a boy detective: "Reminiscent of the William books by Richmal Crompton, but aimed at a younger age... extremely funny." - Books for Keeps

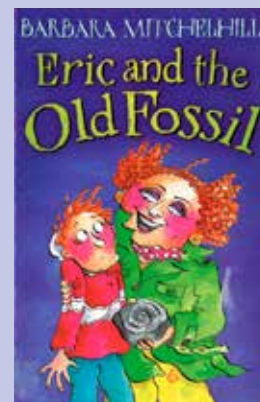

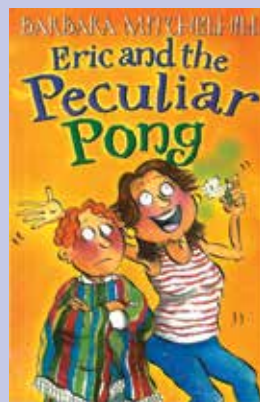

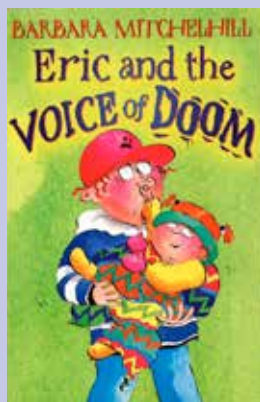

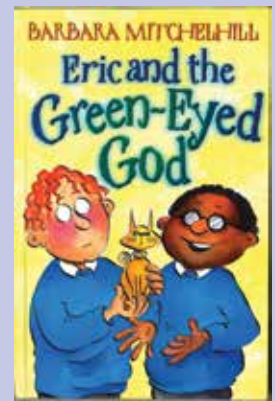

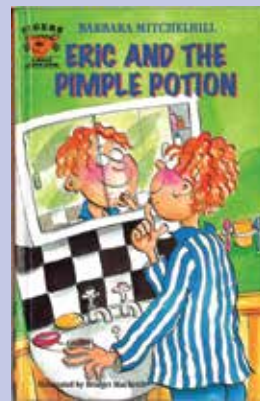

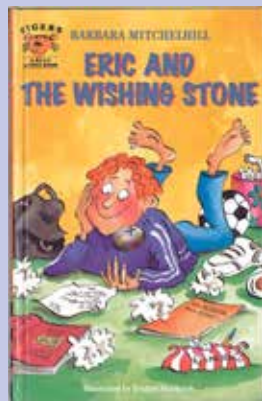

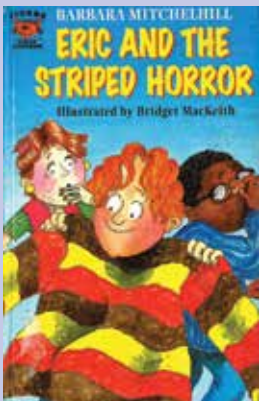

**PERFECT**  
for readers who've  
outgrown  
**Horrid Henry!**

**COMING  
SOON**

## Eric

A touch of magic and the resulting chaos ensure that Eric and his friends provide a perfect series of funny adventures for the emerging reader.

‘The characters are wonderfully written, and the illustrations leap off the page’  
*School Librarian*

‘This is a very funny book. I read it all at once’  
*Katie (aged 8)*

‘Squarely in the tradition of children’s comics in which impish boys wreak joke-shop pranks on rotten grown-ups .... a hoot and a wheeze.’  
*Sunday Times*

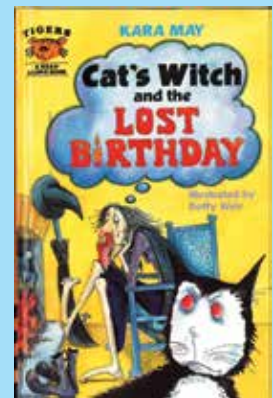

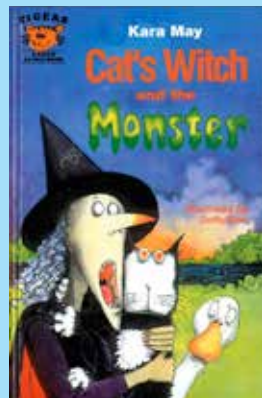

# Andersen Press Early Readers

## Cat's Witch

Four adventures about an accident-prone witch and her resourceful cat.

'easy and amusing plot...simple but effective characterisation'

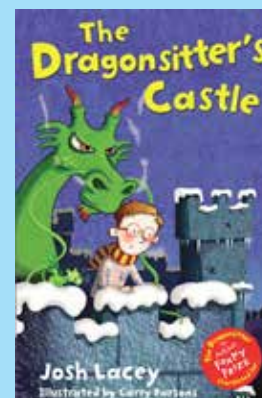

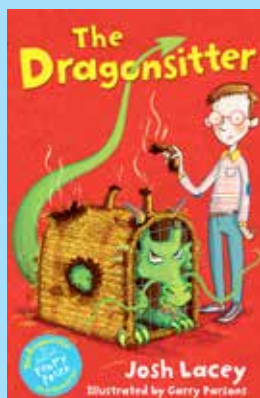

*Junior Bookshelf*

## Dragonsitter

Six hilarious adventures told via e-mails, featuring a boy tasked with looking after his uncle's pet dragons.

'Short, sharp and funny' *Telegraph*

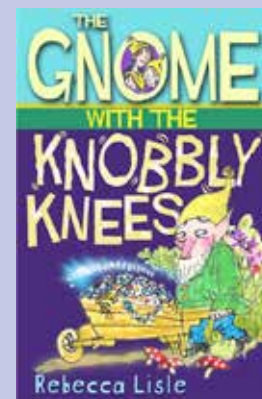

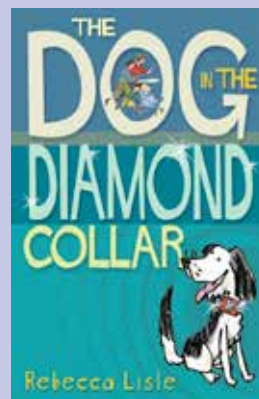

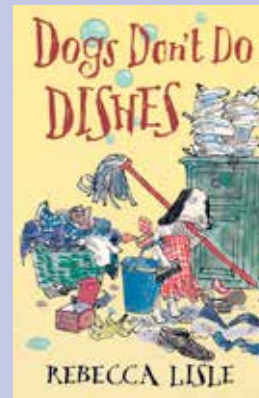

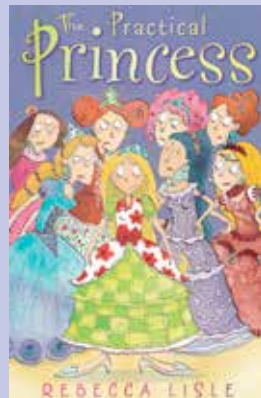

# Andersen Press Early Readers

## Rebecca Lisle

Seven amusing stories from acclaimed story-teller Rebecca Lisle.

‘Large print and lots of pictures to encourage newly confident readers on to short novels.’

*Primary Times*

‘Large print and lots of pictures to encourage newly confident readers on to short novels.’

*Primary Times*

‘Wonderful, quirky humour ... Accessible to newly independent and reluctant readers whilst giving them a story they can enjoy and get their teeth into.’

*Writeaway*

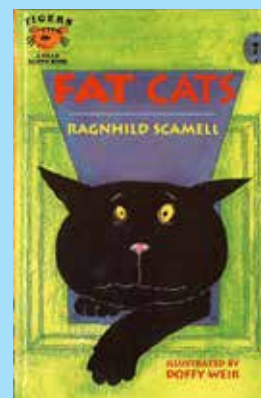

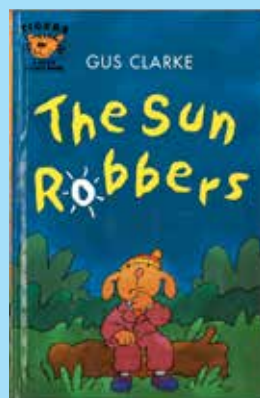

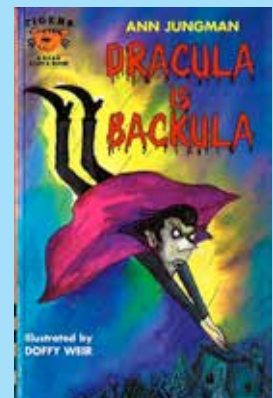

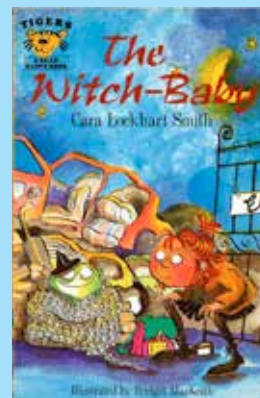

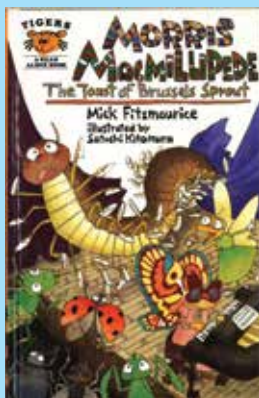

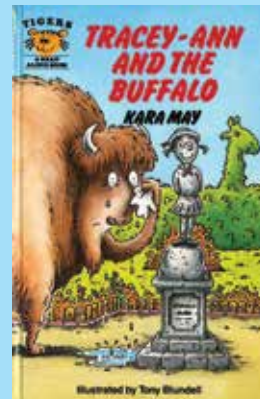

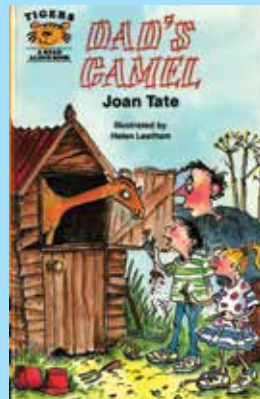

‘An ideal first whodunnit for younger readers, full of highly satisfactory twists and entertaining magic.’

*Lindsey Fraser, Best New Books for Children/Guardian*

# Andersen Press Early Readers

## Young Readers from the TIGER series

10 Funny young readers for children with some experience of reading by themselves.

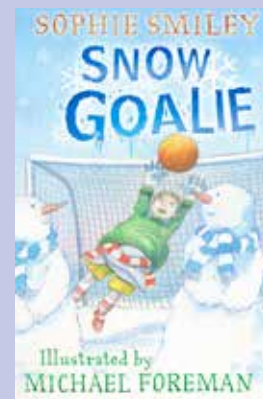

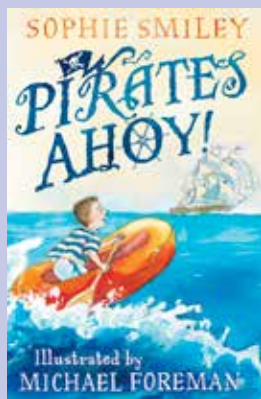

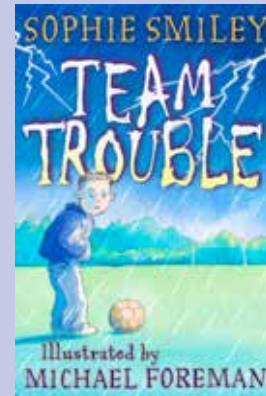

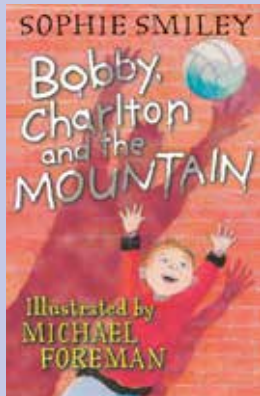

‘TIGERS are interesting because their writers speak to their young readers in clear narrative voices’

T.E.S.

# Andersen Press Early Readers

## Sophie Smiley

The touching and joyous adventures of Charlie and her Downs' syndrome brother, Bobby, together with their football-mad family.

‘An excellent story . . . the first-person voice of the narrator is so immediate, so animated.’

*T.E.S.*

‘Action-packed adventure propels this short and easy to read book forward at a pace that will be hugely satisfying to emerging readers.’

*Julia Eccleshare, Lovereading4kids*

‘Will be popular with anyone who likes jokes and/or football, and is an easy enough read not to deter the weaker readers.’

It should find a happy place in any classroom.’

*Rudolf Loewenstein OP, The School Librarian*
