

# HOW TO MAKE A POM POM

## STEP 1

Cut out two pom pom markers in a sheet of card.

## STEP 2

Using 2 matching pom pom makers on top of each other, wind a ball of wool through the centre and round the outside until a thick layer of yarn surrounds the pom pom markers.

## STEP 3

Snip the wool right round between the two pom pom markers.

## STEP 4

Tie a piece of wool securely between the pom pom markers and then remove them.

## STEP 5

Voila! Your pom pom is finished.

## STEP 6

Now sew it onto your favourite hat...

Look at at Annie's pom pom on her stripey hat!
