Cut out the squares and lay them face-down on a table.
Take it in turns to flip over a card and try to find its pair.
If you find a pair, you can keep those cards and colour them in.
Whoever has the most pairs at the end of the game wins!

All the Cats

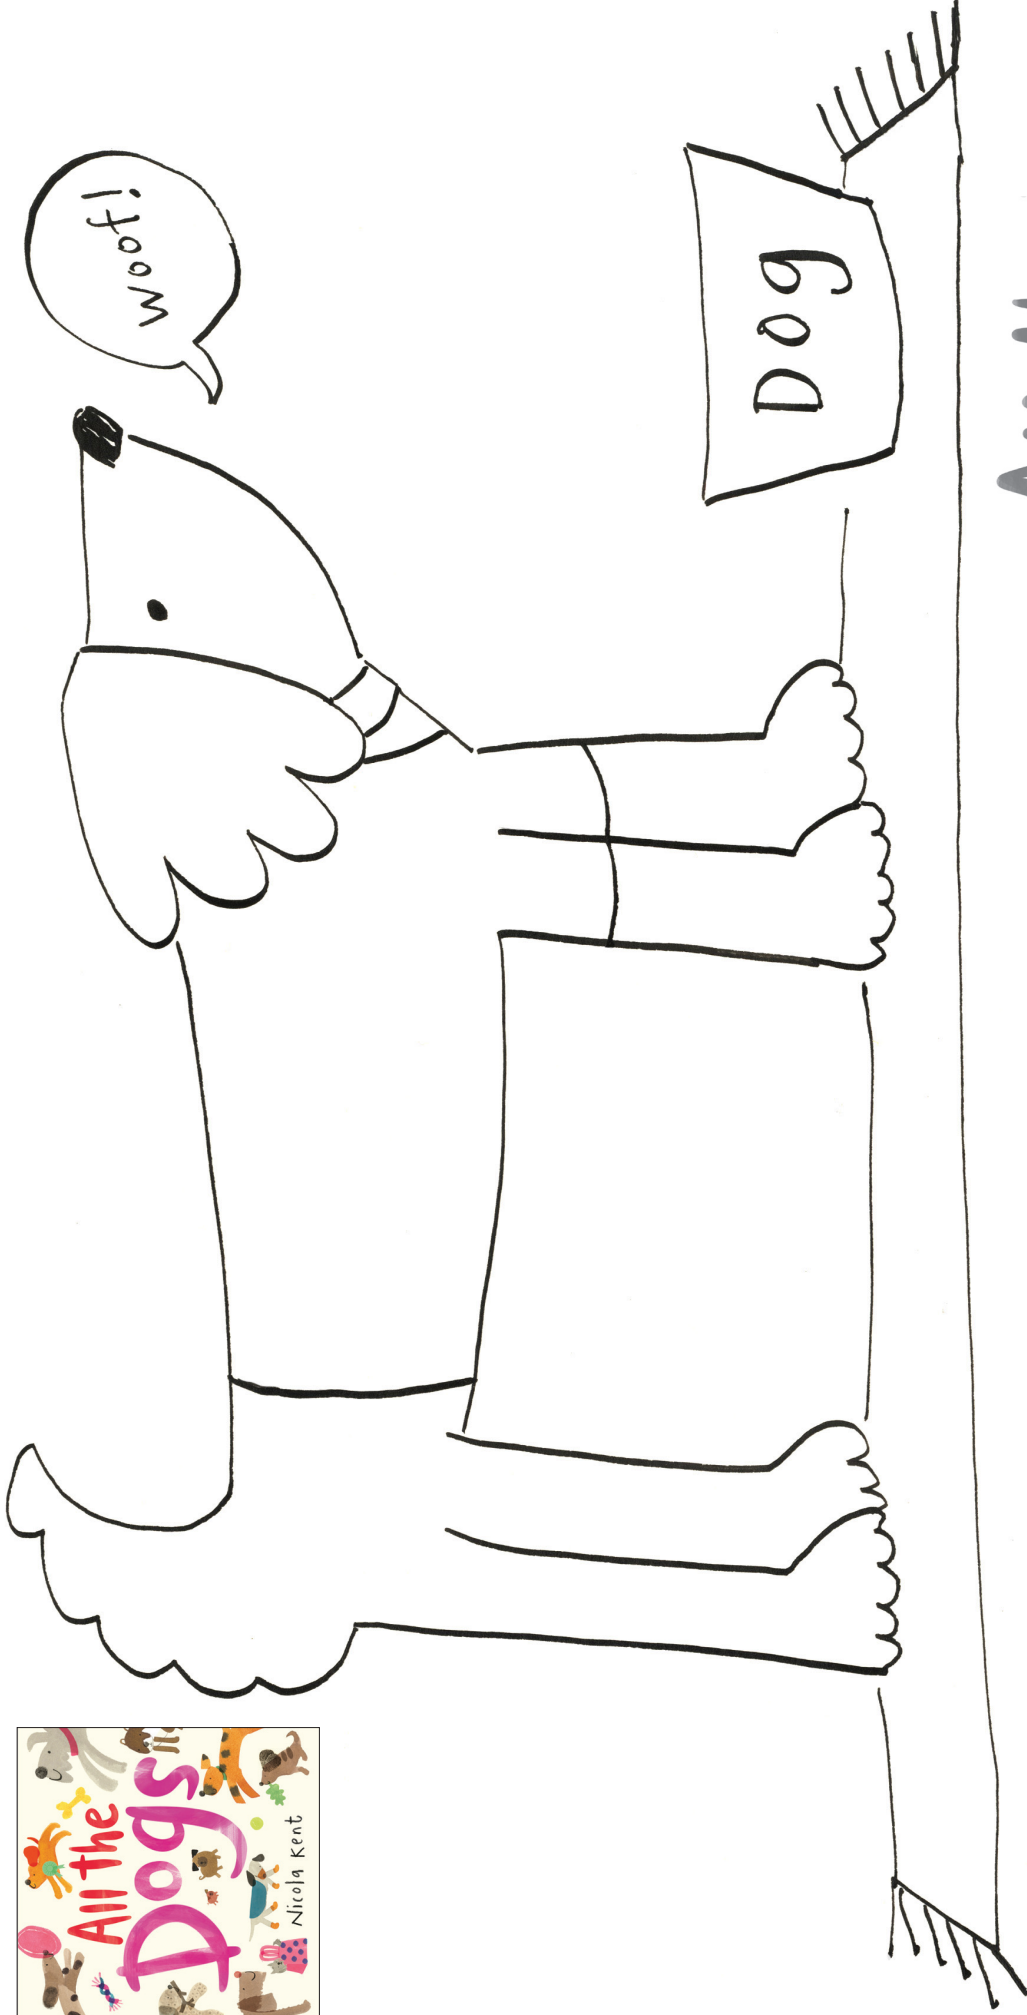

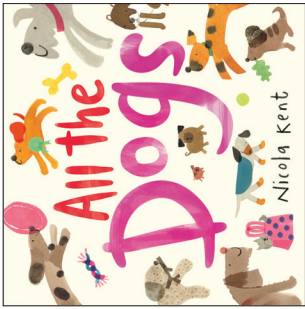

Nicola Kent

Can you draw some nice patterns on the fur of this cat and her kittens?

You could draw stripes, or spots, or patches or a mixture. Will they have matching patterns, or will they all be different? It's up to you!

Please can you also give them some whiskers? And how about some names?

All the Dogs

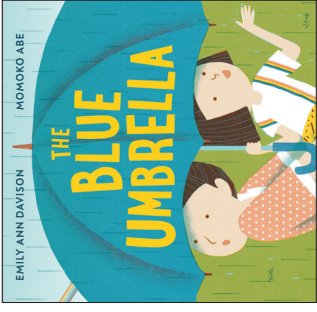

Nicola Kent

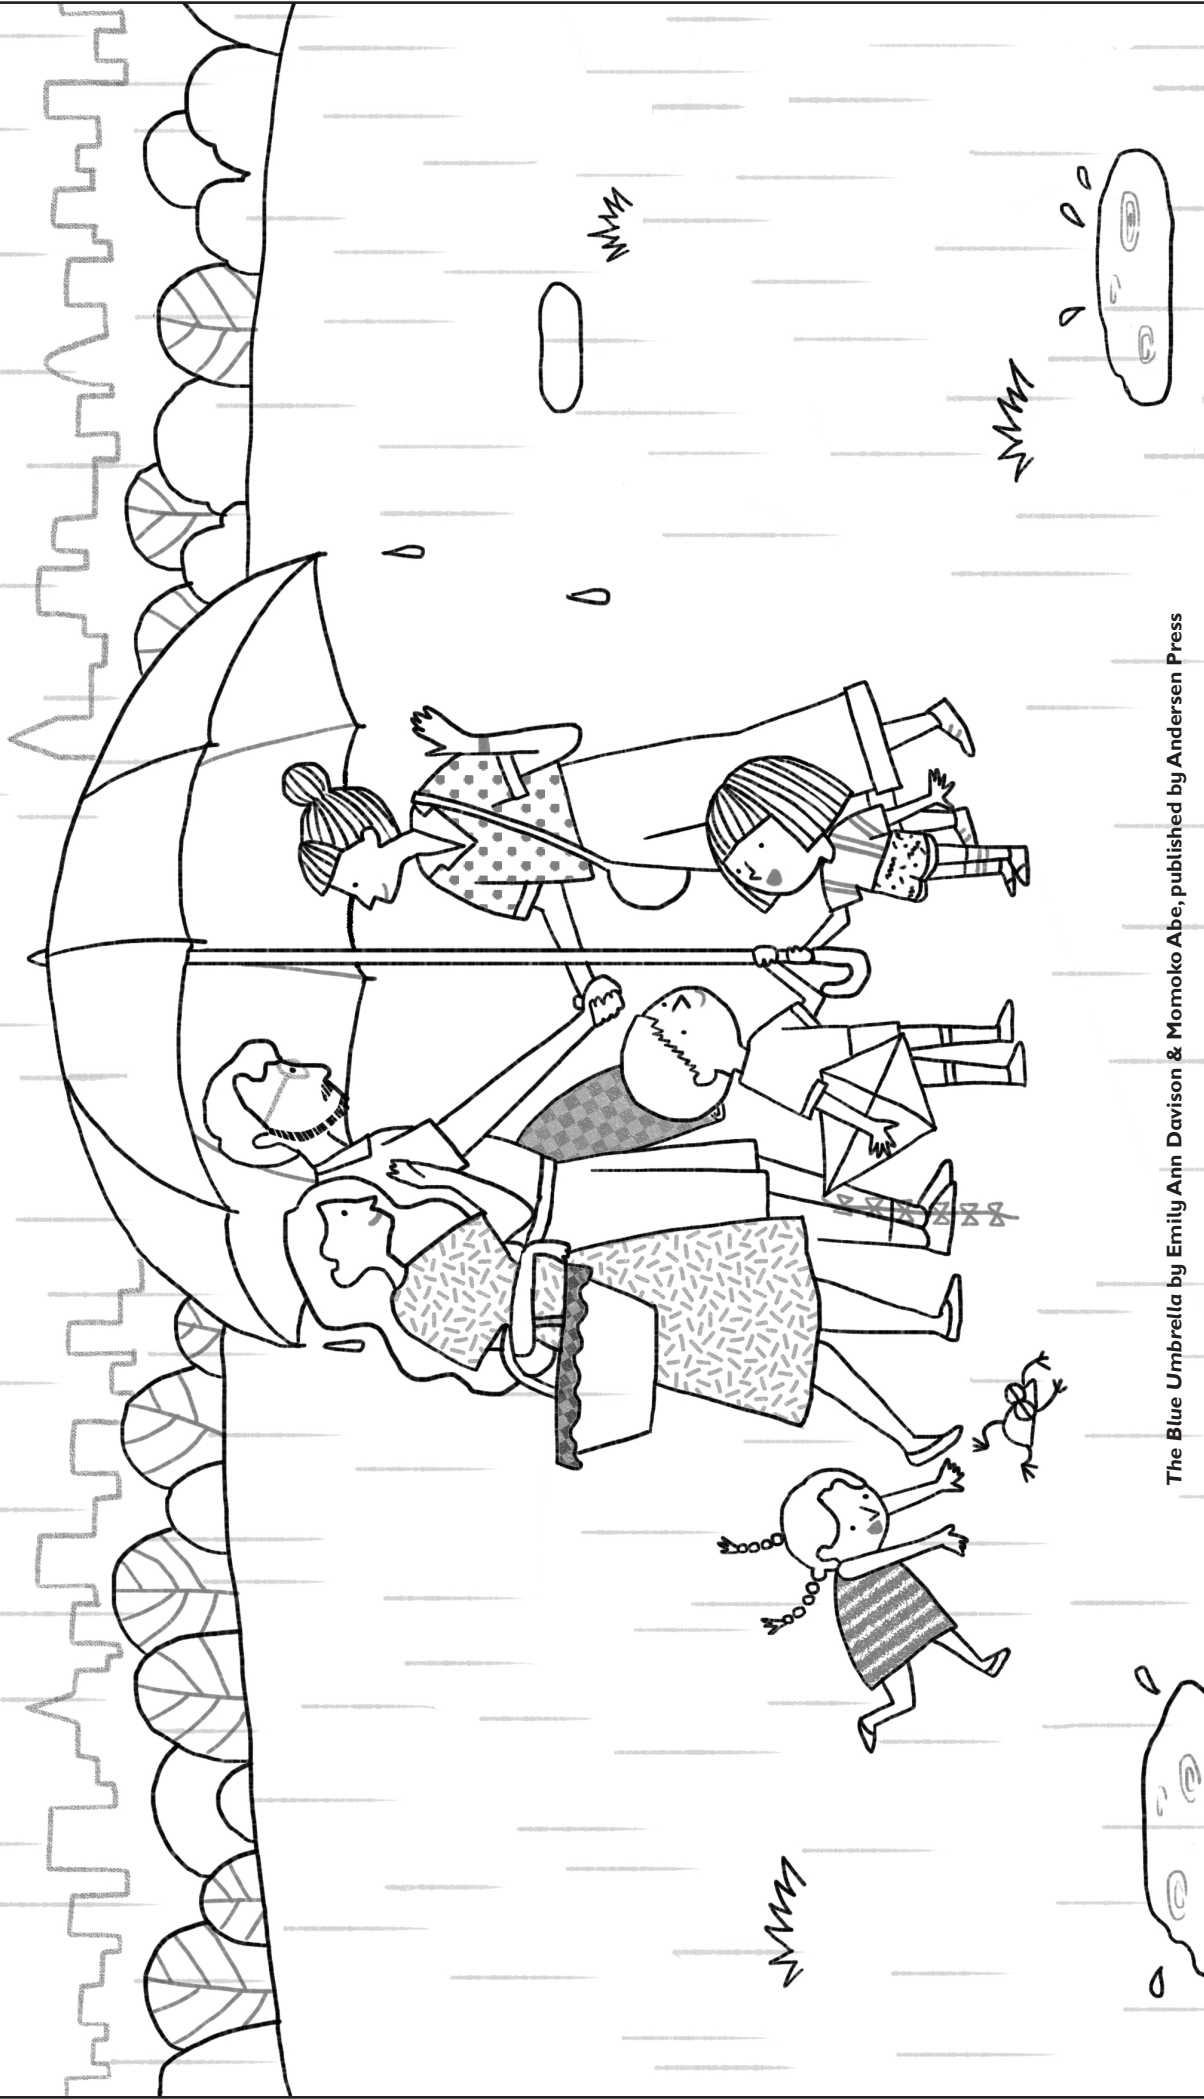

Can you decorate this dog's coat?

Can you give her lots of hair? It could be long or short,
straight or curly. It's up to you!

Can you fill her bowl with food? Can you draw a big smile
on her face? And can you give her a name?

Draw more people under the umbrella and see how many people you can fit.
