FROM ANDERSEN PRESS

**The King's Pants by Nicholas Allan (9781839133626)**

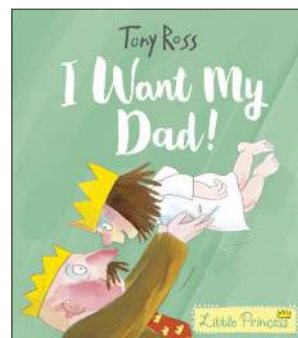

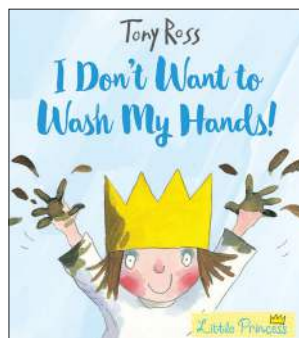

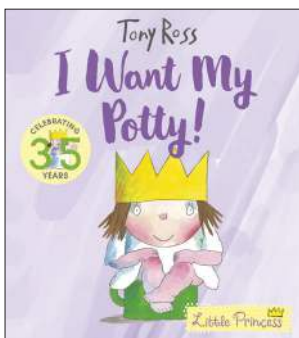

The King cannot rule without his Royal Pants. He has a pair for every occasion: coronation pants (he can't be crowned without them), organic pants (edible in royal emergencies) and even inflatable space-pants (because one never knows when they might come in handy). But in a boxer-shorts blunder at the Royal Mail, the King's undies have been posted to his subjects nationwide! With his Y-fronts gone wandering, how will the King possibly cope?

A riotous new picture book jam-packed with royal pants from the author of the award-winning, bestselling family favourite *The Queen's Knickers!*

**The Corgi and the Queen by Caroline Perry & Lydia Corry (9781839133206)**

As a young girl, Elizabeth's life changed for ever when her papa was crowned King George VI and the family moved into Buckingham Palace. But one thing never changed: she always had her corgis at her side. This is the story of her beloved first corgi, Susan, who accompanied Princess Elizabeth everywhere she went - even secretly riding in her glass carriage on her wedding day to Prince Philip! Susan was there for Elizabeth when her Papa died and she was crowned Queen Elizabeth II, and remained at her side as a faithful companion in her early years as a Queen and later as a mother. This picture book provides a fascinating window into the life of Queen Elizabeth II from princess to beloved Queen, told through her enduring love of corgis.

**I Want My Potty by Tony Ross (9781783446322)**
