

PARTY GAMES

EYEBALL BOUNCE

Preparation

- 1 Decorate a ping pong ball with markers to look like bloodshot eyes.
- 2 Then get a plastic pumpkin (you can hollow out a real one) or a cup and place it at the bottom of the stairs or across the floor.

How to Play

- 1 Give each person an eyeball.
- 2 Each person has a turn getting their eyeball in the pumpkin/cup by throwing or bouncing the eyeball down the stairs or across the room.
- 3 Prizes are awarded if someone manages to get their eyeball into the pumpkin/cup.

Alternate Method

You can also place cups together and make each cup worth a secret prize.
